

## **TEST TEMPORARILY UNAVAILABLE**

**Effective Date: December 15, 2017**

**Notification Date: December 6, 2017**

**SBMF No.: 45942**

**Test Name: Soluble Mesothelin Related Peptides (MESOMARK®)**

Fujirebio, the sole-source kit manufacturer for Soluble Mesothelin Related Peptides (MESOMARK®) has notified laboratories of an extended backorder with no available shipment date.

There is an adequate supply to continue testing until mid-December, 2017. After this supply is exhausted, specimens sent for testing will be held in frozen storage until kits become available again. If kits are not released before the end of specimen stability (3 months), test orders will be cancelled.

There is no clinically equivalent alternative test available.
